

Meet Maritess (AKA Tess)!

Tess became an official member of our WCSO family on September 12, 2016, when she began her first day working in the “hub” of the Sheriff’s Office as our newest DISPATCHER. She was actually already an extended member of the family, since her husband Tyler Smith is an ADO in the Detention Center. Tess graduated from West Fork High School, and she and Ty currently live in West Fork. If you see Tess out and about, walking down the hall, or studying hard in Dispatch, stop and introduce yourself, tell her HEY, and ask her how to pronounce her name....:-) but most of all...tell her, “Welcome to the Family!” :-)

We’re glad you’re here, Tess!
