Re: Troop Meetings
Date: Monday - December 18, 2017

Troop Meetings have been scheduled on the below listed dates and times. It is mandatory that all employees attend one of the meetings. If you are not able to attend please give a written explanation to your supervisor. A Racial Profiling class will be held after each Troop Meeting for all certified deputies.

Annual fire extinguisher inspections will be conducted during the Troop Meetings. If you have a department issued fire extinguisher you will need to drop it off at the community service shop before you go to the meeting and pick it up after the meeting.
